INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Next Door Solutions to Domestic Violence
San Jose, California

We have audited the accompanying financial statements of Next Door Solutions to Domestic Violence (a California nonprofit corporation) (the "Organization"), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Next Door Solutions to Domestic Violence as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 3 to the financial statements, the Organization has adopted ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. Our opinion is not modified with respect to that matter.

Emphasis of Matter

As discussed in Note 14 to the financial statements, on March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The ultimate financial impact and duration of these events cannot be reasonably estimated at this time. Our opinion is unmodified with respect to that matter here.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and other governmental awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2020, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited Next Door Solutions to Domestic Violence's 2019 financial statements, and our report dated December 11, 2019 expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Next Door Solutions to Domestic Violence
Notes to Financial Statements
June 30, 2020
(With Comparative Totals for 2019)

1. NATURE OF OPERATIONS

Next Door Solutions to Domestic Violence (the "Organization"), established in 1971, has extensive experience in working with the unique needs of those impacted by domestic violence ("DV") and in the provision of targeted and impactful programs with measurable outcomes that address serious unmet community need in Santa Clara County ("SCC"). The Organization has positioned itself as a recognized and trusted *Thought Leader* in the nonprofit and domestic violence services sector and participates in collaborative efforts to address systemic domestic violence and ensuing issues faced by those escaping violence and seeking safety, stability and self-sufficiency. Currently, the Organization is the only free-standing domestic violence agency in the county that provides a full array of domestic violence services. Organization programs offer a range of culturally and linguistically appropriate services that are comprehensive, compassionate and women-defined in order to meet the unique and diverse needs of SCC's diverse families. In the years ended June 30, 2020 and 2019, the Organization's programs provided 18,873 and 19,683 advocacy services, respectively with 14,665 and 14,377 hotline calls, respectively. As a multi-cultural, public benefit agency dedicated to proactive and progressive solutions to domestic violence through advocates embedded in multiple community entry points, the Organization also conducts community outreach and DV educational activities with the goal of creating a community environment where violence and abuse are not tolerated.

The Organization:

- Believes that domestic violence happens across our community regardless of socio-economic status, ethnicity, gender identity, and language differences and our community environment should be healthy, peaceful and sustainable,
- Affirms that all aspects of domestic violence must be addressed to reduce this problem,
- Believes that addressing the needs of both adults and children impacted by domestic violence is the key to ending domestic violence in the moment and for all time, and
- Believes that community support, advocacy, and multiple community entry points are critical to long-term solutions to the epidemic of domestic violence that affects our local and national population.

2. PROGRAM SERVICES

The Organization serves victims of domestic violence in various advocacy capacities and multiple community entry points. The Organization builds a partnership between advocates and battered women whereby the women define the advocacy and help needed.

24 Hour Emergency Services

- The Shelter Next Door - Clients receive safe respite from potentially life-threatening abuse including shelter, food, toiletries, medicines, links to emergency cash aid and food stamps, peer counseling (case management), housing assistance, financial literacy screening, and emergency transportation. The Shelter houses approximately 19 people at any one time.

2. PROGRAM SERVICES (continued)

24 Hour Emergency Services (continued)

- 24/7 Crisis hotline - Callers receive a live-voice response from a bilingual advocate 24 hours a day, seven days a week; interpreter services are available for other languages. Services received include peer crisis counseling, information, and referrals to other social service agencies as needed.

Self-Sufficiency

The Organization's belief is that with support, a victim can gain confidence and self-empowerment, increase in self-efficacy and resilience and ultimately move to self-sufficiency.

- Case Management - Clients receive comprehensive, survivor-defined case management to assist each client in reaching personal self-sufficiency goals based on eight (8) domains: Income, Education, Housing, Food, Employment, Healthcare, Wellness, and Domestic Violence (abuse/safety). Clients also receive crisis counseling, safety planning, and have access to workshops in the broader subject areas of financial literacy, advance training and education, and job readiness. Services provided at Community Office and HomeSafe (long-term housing provided by Charities Housing and LifeMoves).
- Support Groups - Clients receive peer support aimed at building individual resilience and self-esteem in a group setting. Each group is ongoing and facilitated by two advocates. Clients can choose from a number of customized support groups, including six (6) groups offered in Spanish, one (1) for male survivors, and one (1) Quilting Support Group. Eight (8) groups are held at the Community Office and an additional five (5) are held off-site in Mountain View, Los Gatos, Sunnyvale, and East San Jose.
- Youth and Family - Clients receive support services, advocacy, peer-counseling, and interventions that allow the family to heal while avoiding the negative, long-term impacts of exposure to violence.
- Teen Support Groups - Two groups, one for ages 10-14 years and one for ages 15-18 years. Teens experiencing trauma due to exposure to DV participate in weekly groups led by trained facilitators and explore topics of healthy relationships, communication, conflict resolution, boundaries, self-esteem, and stress relief.
- Kids Club - Children of survivors attending Support Groups and those residing at HomeSafe are given the opportunity to participate in thoughtful, engaging, and fun activities through Kids Club. Children ages 5-12 years receive and engage in structured play groups and individual activities in a safe, inviting, and consistent environment that promotes positive play. It is a space for kids who have experienced/witnessed trauma to just be kids.

2. PROGRAM SERVICES (continued)

Self-Sufficiency (continued)

- Therapy - Provided by licensed therapists, clients receive/attend sessions individually or as a family. Therapeutic orientations depend on the client, situation, and timeframe. Families are assisted in increasing stability and ability to feel confident in parenting during transitions from pre- to post-violence through increased support.
- Housing - Working with an Organization advocate, clients increase access to, and retention of, safe permanent housing. Services include tailored case management, rental assistance, and supportive services that are directed at addressing various life domain barriers, i.e. income, employment, health, that may contribute to the client's risk of homelessness.

Community and Systems Advocacy

- Walk-In Crisis Counseling - Clients receive services from an Organization advocate to address barriers to safety, stability and self-sufficiency. Working with the advocate, clients receive an assessment, to determine the client's particular needs, and then help in determining which services would benefit them, and assistance in accessing those services. Services include safety planning, risk assessments, advocacy, restraining order assistance, support, and referrals.
- Legal Services - Working with the Organization's advocates, clients receive legal assistance with temporary restraining orders, court accompaniment and other domestic violence related court hearings and immigration services.

Prevention

- CalWorks (California's Welfare to Work Program) - The Organization provides an embedded advocate at the CalWorks offices where DV victims receive services to protect their benefits when DV prevents them from gaining and maintaining meaningful employment.
- Domestic Violence and Healthcare Initiative - In collaboration with local community health clinics and the East San Jose PEACE Partnership, the Organization provides community outreach and education on DV's impact to the health and well-being of survivors, children, and youth; technical assistance to health clinics for conducting DV screenings and training's for clinical staff to advance universal knowledge of the larger impact of DV on health, and to promote the practice of providing universal education to all patients who come to healthcare providers, not just screening for disclosure.

2. PROGRAM SERVICES (continued)

Prevention (continued)

- Men, Boys, and Gender-Based Violence Initiative - 1) Deliver "Coaching Boys Into Men", a violence prevention program from Futures Without Violence, leveraging coach and young school athletes' relationships, focusing on respect for themselves and others - particularly respect for women and girls. 2) Families for Peace, in collaboration with A Turning Point Counseling Services, provides a voluntary support group specifically for men with families who perpetrate abuse and are not yet systems-involved, with the goal of guiding men toward family harmony and healing.

COVID-19

- COVID-19 - In partnership with the County and community partners, the Organization's advocates supported clients during the pandemic with resources and client assistance for basic needs, housing, childcare, and utilities so as to protect clients from becoming homeless.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of Next Door Solutions to Domestic Violence have been prepared on the accrual basis of accounting.

In accordance with accounting principles generally accepted in the United States of America, the Organization reports its financial position and operating activities in two classes of net assets:

- *Net assets without donor restrictions* - include those assets over which the Board of Directors has discretionary control in carrying out the operations of the Organization. Under this category, the Organization maintains an operating fund, any net assets designated by the Board for specific purposes and the property and equipment fund.
- *Net assets with donor restrictions* - include contributions received from donors that are restricted for specific purposes or for subsequent periods. When a donor restriction expires, net assets with donor restrictions are classified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction. Net assets held in perpetuity include those assets which are subject to a non-expiring donor restriction, such as endowments. The Organization had no net assets subject to non-expiring donor restrictions as of June 30, 2020.

Notes to Financial Statements
June 30, 2020
(With Comparative Totals for 2019)

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Change in accounting principle

In June 2018, the FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies the criteria for evaluating whether a transaction is a contribution or an exchange transaction and whether a contribution is conditional or unconditional. The Organization adopted ASU 2018-08 with a date of the initial application of July 1, 2019, using the modified prospective method.

The adoption of ASU 2018-08 did not have a significant impact on the Organization's financial position, result of operations, or cash flows. The Organization has evaluated contributions received and contributions made and has determined that there is no change as a result of the adoption of the standard.

Comparative financial information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class or functional expense categories. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of support, revenue, and expenses during the period. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents include highly liquid investments and investments with a maturity of three months or less, and exclude donor restricted receipts and amounts designated for long-term purposes. The Organization maintains its cash in bank deposit accounts which, at times, may exceed Federally insured limits. The Organization has not experienced any losses in such accounts. Management believes it is not exposed to any significant risk on cash accounts.

Fair value measurements

Fair value is defined as "the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date."

Next Door Solutions to Domestic Violence
Notes to Financial Statements

(With Comparative Totals for 2019)

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Fair value measurements (continued)

A hierarchy has been established to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the asset based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the Organization's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

- *Level 1* - Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- *Level 2* - Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads, and yield curves.
- *Level 3* - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Organization's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The carrying amounts reported in the statement of financial position for the following items approximate fair value because of the short maturity value of these instruments: government grants receivable, pledges and grants receivable, accounts receivable, accounts payable, and accrued expenses.

Grants, pledges, and accounts receivable

Grants, pledges, and accounts receivable are principally with governmental organizations and private foundations. As of June 30, 2020, 47% and 30% were due from two governmental organizations, and 48%, 34%, and 12% from three private foundations. As of June 30, 2019, 42% was due from one governmental organization, and 17% and 13% from two private foundations.

The Organization considers all grants, pledges, and accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and equipment

Property and equipment are recorded at cost or estimated fair value for donated items. Equipment purchases over \$1,000 are capitalized. The cost of repairs and maintenance which do not improve or extend the lives of the respective assets are expensed currently. Depreciation and amortization is computed on the straight-line method based on the estimated useful lives of the assets, which range from 5 to 39 years. Depreciation and amortization is charged to the activity benefiting from the use of the property or equipment.

Accrued vacation

Accrued vacation represents vacation earned, but not taken as of June 30, 2020 and 2019, and is included in "accrued expenses" in the statement of financial position. The accrued vacation balance as of June 30, 2020 and 2019 was \$99,925 and \$81,352, respectively.

Revenue recognition

Contributions, including unconditional promises to give, are recognized as support in the period received. Contributions, including unconditional promises to give, are recorded with donor restrictions depending on the existence and/or nature of any restrictions and are then reclassified to net assets without donor restriction upon satisfaction of any restrictions through the net assets released from restriction. Contributions and unconditional promises to give that are expected to be collected or paid in future years are discounted using a net present value technique, unless management determines the discount amount is insignificant.

Contributions that are considered conditional promises to give which contain barriers and a right of return or right of release are not recognized until the conditions on which they depend are met, at which time, the gifts are recognized as contributions with or without donor restrictions.

The Organization generates a significant amount of revenue from providing services to accomplish its program and support services through cost reimbursement state and federally funded programs. The revenue generated from these services is recorded as government grants in the statement of activities. These government grants meet the criteria to be classified as conditional contributions under GAAP revenue recognition for nonprofit organizations as they contain barriers related to the incurrence of qualifying expenditures and a right of return or release. The Organization has elected a simultaneous release option to account for these grants. Therefore, they are recorded as government grants without donor restriction upon satisfaction of the barriers. In the event amounts are received and have not been earned, the Organization records such amounts as refundable advances until earned. As of June 30, 2020, the Organization had conditional contributions related to open state and federal government grant agreements (see Note 5).

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition (continued)

Special event contributions are generally reported as increases in net assets without donor restrictions. However, if the circumstances surrounding the receipt of such contributions make clear the respective donor's implicit restrictions on use, such amounts are classified as increases in net assets with donor restrictions. Special event contributions for an event in a future period are reported as increases in net assets with donor restrictions, and released in the future period, attributable to that event.

Donated equipment and other donated goods are recorded at their estimated fair value as of the date of the donation. Contributed services, which require a specialized skill and which the Organization would have paid for if not donated, are recorded at the estimated fair value at the time the services are rendered. The Organization also receives donated services that do not require specific expertise but which are nonetheless central to the Organization's operations. While these contributed services are not reflected in the financial statements, the estimated value of these services is disclosed in Note 8.

Functional expense allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and support services benefited. Indirect salary allocations are based on timesheets. Other indirect costs are allocated on the basis of full time equivalent staff members in each function.

Income taxes

Next Door Solutions to Domestic Violence is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and state income taxes under Section 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been made in the accompanying statements. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a)(1) of the Internal Revenue Code.

Uncertainty in income taxes

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Organization in its federal and state exempt organization tax returns are more-likely-than-not to be sustained upon examination.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

Management of the Organization has evaluated events and transactions subsequent to June 30, 2020 for potential recognition or disclosure in the financial statements. The Organization had subsequent events that required recognition or disclosure in the financial statements for the year ended June 30, 2020 (see Note 14). Subsequent events have been evaluated through the date the financial statements became available to be issued, December 1, 2020.

4. PROPERTY AND EQUIPMENT

Property and equipment consisted of the following:

	2020	2019
Land	\$ 96,974	\$ 96,974
Building and improvements	275,459	275,459

6. BOARD DESIGNATED NET ASSETS

Operating reserve

The Organization maintains a minimum of three months' reserve to stabilize cash flow and cover any support and revenue shortfalls that occur because of grant delays and seasonal variation in fundraising receipts that do not meet budget expectations. Government, foundation, and corporation grants can make up a significant portion of the Organization's support and revenue, and there can be significant delays in the receipt of these monies after an award. The operating reserve totaled \$1,330,000 and \$830,000 as of June 30, 2020 and 2019, respectively.

Administrative reserve

A second reserve was established during the year ended June 30, 2015, to ensure adequate administrative support for the Organization which will allow for greater efficiency and increased community outreach. The scope of the administrative reserve was expanded in 2017 to ensure the agency is following Santa Clara County living wage compensation recommendations. The administrative reserve totaled \$52,526 as of June 30, 2020 and 2019.

COVID-19 client assistance reserve

The Organization established a reserve for client rental and other miscellaneous assistance during the COVID-19 pandemic. The COVID-19 client assistance reserve totaled \$200,807 as of June 30, 2020 (see Note 14).

7. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consisted of the following:

8. CONTRIBUTIONS IN-KIND

During the years ended June 30, 2020 and 2019, volunteers donated 16 and 3,457 hours, respectively, to the Organization's various programs in professional services such as counseling, legal services, and the shelter hotline. The services, which require a specialized skill and which the Organization would have paid for if not donated, are recorded as part of contributions in-kind in the financial statements at the estimated fair value at the time the services are rendered. For the years ended June 30, 2020 and 2019, management has estimated the value of these services to be \$1,200 and \$120,001, respectively.

Volunteers also donated 1,207 and 2,315 hours of non-professional services, such as childcare and general administrative services for the years ended June 30, 2020 and 2019, respectively. Management has estimated the value of these services to be \$23,245 and \$18,368. Since these services did not require specialized skills, they have not been recorded as support and expense in the financial statements.

The Organization receives a large volume of food, clothing and other materials for use in its programs. All donated food items are primarily used in The Shelter Next Door program. Value of food items was estimated for the years ended June 30, 2020 and 2019 to be \$50,444 and \$48,947, respectively. All donated clothing and other materials are used by clients in all programs and their value has not been estimated by the Organization.

8. CONTRIBUTIONS IN-KIND (continued)

Contributions in-kind consist of the following:

	2020	2019
Materials	\$ 50,444	\$ 48,947
Professional services	1,200	120,001
	\$ 51,644	\$ 168,948

9. OPERATING LEASE COMMITMENTS

The Organization rents 11,520 square feet of office space at the rate of \$15,298 per month under a four year operating lease which expires March 31, 2021. The rate is to increase annually by 3%. Rent expense for the years ended June 30, 2020 and 2019 under this lease was \$196,221 and \$190,503, respectively.

The scheduled minimum lease payments under the lease terms are as follows:

<u>Year ending June 30,</u>	
2021	\$ <u>150,453</u>
	\$ <u><u>150,453</u></u>

10. CONTINGENCIES

Grants and contracts awarded to Next Door Solutions to Domestic Violence are subject to the funding agencies' criteria, contract terms, and regulations under which expenditures may be charged and are subject to audit under such terms, regulations, and criteria. Occasionally, such audits may determine that certain costs incurred in connection with the grants do not comply with the established criteria that govern them. In such cases, the Organization could be held responsible for repayments to the funding agency for the costs or be subject to a reduction of future funding in the amount of the costs. Management does not anticipate any material questioned costs for the contracts and grants administered during the period.

11. CONFLICT OF INTEREST POLICY

Included among the Organization's Board of Directors and Officers are volunteers from the community who provide valuable assistance to the Organization in the development of policies and programs and in the evaluation of business transactions. The Organization has adopted a conflict of interest policy whereby board members are disqualified from participation in the final decisions regarding any action affecting their related company or agency.

June 30, 2020
(With Comparative Totals for 2019)

12. CONCENTRATIONS

The Organization receives grants from various governmental agencies to provide services with governmental funding representing approximately 55% of all support and revenue for the Organization. During the year ended June 30, 2020, two governmental agencies provided approximately 48% and 40% of the total support and revenue. During the year ended June 30, 2019, two governmental agencies provided approximately 38% and 35% of the total support and revenue. In the event that either of these funding opportunities were to be reduced or terminated, the Organization's ability to provide services would be impacted, though not eliminated, and alternative funding sources would be secured.

13. LIQUIDITY AND AVAILABILITY OF RESOURCES

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The Organization is substantially supported by contributions and government grants. The Organization holds all of its cash in bank accounts that can be readily available for operating needs. Short-term receivables consist of accounts, government grants and pledges and grants receivable expected to be received within one year from June 30, 2020. Short-term accounts and pledges and grants receivable without donor restrictions will be available to support general operations of the Organization.

The following is a quantitative disclosure which describes financial assets that are available within one year of June 30, 2020 to fund general expenditures and other obligations when they become due:

Financial assets:	
Cash and cash equivalents	\$ 2,026,216
Government grants receivable	544,159
Pledges and grants receivable	249,200
Accounts receivable	<u>3,301</u>
	<u>2,822,876</u>
Less amounts unavailable for general expenditure within one year due to:	
Board designated operating reserve	(1,330,000)
Board designated administrative reserve	(52,526)
Restricted for a specific purpose	(219,177)
Restricted to a passage of time	<u>(60,000)</u>
	<u>(1,661,703)</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,161,173</u>

14. SUBSEQUENT EVENTS

During the COVID-19 pandemic, Next Door Solutions to Domestic Violence's services have been considered essential in nature and have not been materially interrupted. As the situation continues to evolve, the Organization is closely monitoring the impact of the COVID-19 pandemic on all aspects its operations, including how it impacts the Organization's clients, vendors, employees, and ability to provide services. The Organization believes the ultimate impact of the COVID-19 pandemic on its program services and financial condition is likely to be determined by factors which are uncertain, unpredictable, and outside of its control.

SINGLE AUDIT REPORTS AND SCHEDULES

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Next Door Solutions to Domestic Violence
San Jose, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Next Door Solutions to Domestic Violence (a California nonprofit corporation) (the "Organization"), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 1, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE UNIFORM GUIDANCE

To the Board of Directors
Next Door Solutions to Domestic Violence
San Jose, California

Report on Compliance for Each Major Federal Program

We have audited Next Door Solutions to Domestic Violence (a California nonprofit corporation) (the "Organization")'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2020. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weakness or significant deficiencies.

We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Next Door Solutions to Domestic Violence
Notes to Schedule of Expenditures of Federal and Other Governmental Awards
June 30, 2020

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal and other governmental awards (the "Schedule") includes the federal award activity of Next Door Solutions to Domestic Violence (the "Organization") under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or limited as to reimbursement. Pass-through entity identifying numbers are presented where available and applicable.

3. INDIRECT COST RATE

The Organization has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.
